		<p>home and advised to follow the stay at home and testing guidance.</p> <ul style="list-style-type: none"> Anyone presenting Covid symptoms to be isolated in <ul style="list-style-type: none"> Heltwater Lifeskills room – toilets: middle school hygiene facility (near staff room) St Georges – Hall near pupil kitchen – toilets: near reheat kitchen until they can be collected. Staff member to maintain 2 metre distance and where appropriate PPE Collection point will be from the exterior door leading to the car park/playground Staff member to Wear full PPE.(Gloves, facemask, apron etc) kit available from classroom. If a risk assessment determines that there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn In an emergency, if they are seriously ill call 999. After use ensure cleaning of the room and all areas person has been in, following government advice with first warm soapy water, usual disinfectant cleaner and a disposable cloth. Pay particular attention to frequently touced areas. If an area has been heavily contaminated use protection for the eyes, nose and mouth as well as wearing gloves and an apron. Wash hands thoroughly for 20 seconds after removing PPE <p>Test & Trace</p> <ul style="list-style-type: none"> Staff to read Test and Trace guidance document Test and Trace Flowchart (attached) to be displayed in classroom for quick reference. If anyone becomes unwell with a new continuous cough, a high temperature or other symptoms in the school, they will be sent home 	<p>employees in a fast-changing situation.</p> <ul style="list-style-type: none"> Continue to follow current advice regarding self-isolation Temperatures taken if there are concerns that someone may be unwell. School transport to be informed in case of suspected case. <p>On positive result the school will work with the Health Protection Team of Public</p>			

What are the hazards?	Who might be harmed and <i>how</i> ?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
		<p>and asked to self isolate for 10 days. They will be asked to arrange a test to and share the results with the school asap</p> <ul style="list-style-type: none"> • Only Parent/Carers of pupils in that bubble will be notified this has taken place (No names to be given, or any more details than is necessary) • SLT to email emergencyschool.closure@cambridgeshire.gov.uk providing school name, number of pupils/staff and confirmation if a test has been booked (on possible cases) • Welfare Manager/Teacher will maintain regular contact with staff members, parents and local health authorities during this time. • Class and staff to be sent home and isolate 14 days if positive result has been received • If advised that a student, member of staff, other school visitor or public has developed Covid-19 and were recently on our premises (including where a member of staff has visited other work place premises such as domestic premises), the SLT will contact the Local Authority and Public Health England to discuss the case, identify people who have been in contact with them and will take advice on any actions or precautions that should be taken. https://www.publichealth.hscni.net/ • If parents refuse to have their child tested, they are to remain at home for 10 days 	<p>Health England to carry out a risk assessment and to determine who else, if anyone, also needs to isolate.</p> <ul style="list-style-type: none"> • To Notify a case please call HPT on 0300 303 8537 (option 9) or non urgent email eoecrc@phe.gov.uk • Parents/carers of pupils in bubble will be notified that this has taken place and advise on any steps that should be taken (wider school community will not receive notification unless it has an impact on them too) • To raise and general questions or concerns contact Jonathan Lewis (07920 160402) or Emma Dean (01223 703514) 			
Contingency planning for a further outbreak		<ul style="list-style-type: none"> • In the event of a local outbreak, the PHE health protection team or local authority may advise a school or number of schools to close temporarily to help control transmission. • The following protocols will be put in place in case of school closure <ul style="list-style-type: none"> ○ Communication to parents via class dojo 	<ul style="list-style-type: none"> • Revise contingency plan in event of school closure 	HT	As required	

What are the hazards?	Who might be harmed and <i>how</i> ?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
		<ul style="list-style-type: none"> ○ SLT / Governor meetings held through teams meeting ○ Teachers to be responsible for providing home learning tasks ○ ICT available for staff to be able to work from home, where possible ○ Administrative systems accessible out of school ○ Statutory checks to be maintained and site visits by designated staff. ○ Further plans devised based on guidance from PHE team. 				
Social Distancing in school	Pupils Staff Visitors	<ul style="list-style-type: none"> ● Use social stories/clear posters to communicate to pupils importance of social distancing and personal hygiene. ● Rooms not in use to be locked where possible and put out of use. (clean periodically) ● Social distancing to be maintained using bubbles (small groups). Bubbles should not meet ● Bubbles to have consistent staff/pupils throughout ● Staggered lunch times and breaks to reduce risk of contact with other groups ● Rota for use of shared toilet facilities, Bubbles only use these spaces ● Class teacher to identify routes they will use on first day in school ● Corridor access to only be used to access communal areas/facilities where no outside route is available. ● Access to the classroom should be from the exterior door where feasible ● Persons outside bubbles should maintain 2 metre distance and not gather in small spaces ● Working patterns to reduce number of people on site at any one time. Staff to leave by 17:00 to 	<ul style="list-style-type: none"> ● Designated staff able to enter group in an emergency (i.e SLT) ● Bubble teams to look at how they can best isolate in their areas. ● SLT to check social distancing of groups are being maintained ● Review manual processes in school, put in place electronic procedures where possible ● Meetings to be conducted virtually where possible, rather than face to face. ● Surplus furniture to be removed from rooms walkways marked where possible. ● Consider removing Padlocks around school, if this will not cause a safety risk to our pupils (i.e absconders) 	Teacher SBM DHT Teacher	09/11/20	

What are the hazards?	Who might be harmed and <i>how</i> ?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
		<p>allow cleaners to clean school</p> <ul style="list-style-type: none"> • All visitor access to the school to be restricted. Where external agencies/services are essential, information of protocols in place to be provided • Mark work areas using tape/signage/screens to clearly identify areas to be kept apart / to maintain distance in close spaces (i.e offices) • Furniture to be arranged to allow pupils/staff to sit 2 metres apart and not facing each other, where possible • Staff to avoid visiting other bubble groups and minimising contact where possible. • Internal phones should be used to communicate across the school, Antibac wipes to be available to wipe handsets. • Designate one person to use the phone to avoid cross contamination. Speaker phone to be used to talk to other people • avoid passing in the narrow corridors, if another group is coming up, step back allowing sufficient distance to pass at either end of corridors where possible (reduce need to travel through school) • Discreet procedure (verbal – shout outs for example) for access to areas with limited space to maintain social distancing such as toilet and kitchen areas 				
Personal Protective Equipment / clothing		<p>Face Masks</p> <ul style="list-style-type: none"> • Staff and pupils to provide their own face coverings (emergency supply available from school if needed) • Staff and pupils to be aware of correct process for putting on and removing face covering – click on this link • For those aged 11 and over facemasks should be worn in communal areas (corridors, toilets etc). • Staff to wear facemasks in communal areas at all times, including corridors . Exceptions for 	<ul style="list-style-type: none"> • if a child, young person or other learner becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home. A face mask should be worn by the supervising adult if a distance of 2 metres cannot be maintained. If contact with the child or young person is necessary, then gloves, an 	SBM/PO	09/11/20	

What are the hazards?	Who might be harmed and <i>how</i> ?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
		<p>those who have medical reasons not to wear a mask</p> <ul style="list-style-type: none"> • Whilst in classrooms facemasks are not required, unless specified in individual pupil risk assessments • Facemasks to be placed in individual sealable plastic bags when not in use • Disposable face masks to be placed in general waste black bags. • Hands to be washed for 20 seconds before and after use of facemasks • Government guidance states that majority of staff will not require PPE beyond what they would normally need for their work even if they are not always able to maintain 2m from others • PPE used for personal/intimate care should be the same which is routinely used (glove/aprons) • Facemasks are available in hygiene areas for staff if required. • Staff may bring a change of clothes if they choose to reduce risk of cross contamination at home • To wash clothing <ul style="list-style-type: none"> ○ Do not shake clothing ○ Use the warmest water setting ○ Dry clothes completely ○ Can be washed with other clothes ○ Clean and disinfect and container used for transporting clothing 	<p>apron and a face mask should be worn by the supervising adult. If a risk assessment determines that there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn</p>			
Classroom Environment / Increased risk of transmission	Pupils Staff Visitors	<ul style="list-style-type: none"> • Teachers/staff to complete classroom checklist attached and display in room • Furniture and equipment will need to be moved or placed in a position to reduce pinch points, ensuring that free movement and appropriate spacing is possible. Consider changes to 	<ul style="list-style-type: none"> • Where teacher shortages exist. Teaching Assistants or other staff may be required to monitor groups under a teacher's supervision. 	Class Teachers	09/11/20	

What are the hazards?	Who might be harmed and <i>how</i> ?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
		<p>seating arrangements to avoid face to face contact</p> <ul style="list-style-type: none"> • Signs/posters to be put on display in class reminding of class rules, i.e wash you hands, catch it, bin it, kill it etc.markers on the floor. • Excess furniture to be put to the side of the class or removed if storage available, ensure no pinch points and free movement is maintained • Where practicable tape to be used to mark on floor around teaching spaces and to maintain distance • Staff to consider resources available in class, remove soft toys/furniture and resources with intricate parts. Suggest these are placed into group rooms if available. (Consider where else items can be stored and locked away) • Use equipment that is easy to be clean and decontaminate • Shared resources to be cleaned regularly • Fire exit/routes to remain clear at all times • Group rooms attached to classrooms to be locked and put out of use • Ipads/touch screens not to be used not outside the bubble, unless they can be adequately cleaned between uses. • Each pupil to be allocated their own stationery/resources pack (named) • Avoid taking items home and bringing back to school • Soap sanitiser and disposable hand towels in each room. 				
Air conditioning	Pupils Staff	<ul style="list-style-type: none"> • Where possible use windows for ventilation • HSE guidance states on centralised ventilation systems should not be used. • The schools systems are localised to the room, they maybe used if required 	<ul style="list-style-type: none"> • HSE guidance on air conditioning • https://content.govdelivery.com/accounts/UKHSE/bulletins/28ce71a 	SBM	09/11/20

Shared activity and equipment use.	Pupils Staff Visitors	<ul style="list-style-type: none"> Classroom based resources, such as books and games, can be used and shared within the bubble; these should be cleaned regularly. Resources that are shared between classes or bubbles, such as sport, art and science equipment should be cleaned meticulously between bubbles or rotated to allow them to be left unused for at least 48 hours (72 hours for plastics) - items should be retained in the classroom, out of reach for the specified period before being handed to another group or returned Small PE equipment i.e balls and may be allocated to bubble groups and remain in the group at all times. unless can be cleaned between groups. 	<ul style="list-style-type: none"> Outdoor play equipment only to be used by the bubble group allocated Gym equipment in upper school not to be used. 	Teacher	09/11/20	
Extra-curricular activities (coaches, tutors)		<ul style="list-style-type: none"> There is to be no extra curricular activities outside of school till further notice. 	<ul style="list-style-type: none"> 			
Coaches / Therapist / outside professional services		<ul style="list-style-type: none"> Coaches/tutors are able to attend school Information about systems in place should be communicated Room to be identified to carry out small group work or 1 to 1 sessions Staff are required to bring the pupils to the specified location to work with outside agencies/coaches 	<ul style="list-style-type: none"> Headteacher to brief coaches on procedures in place around social distancing and maintain hygiene. 	HT	09/11/20 As required	
Physical activities		<ul style="list-style-type: none"> Rota produced for bubble to access sport coaches Outdoor sports should be prioritised where possible. Where not possible the hall can be used, as long as social distancing can be maintained. Access to the hall from outside will be through 	<ul style="list-style-type: none"> 			

What are the hazards?	Who might be harmed and how?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
		<p>the boys changing rooms of the upper school playground.</p> <ul style="list-style-type: none"> Pupils should be kept in bubble groups where possible Equipment to be thoroughly cleaned between use for different bubble groups, or left for 72 hours Contact sports to be avoided Singing and playing wind instruments not to be undertaken, unless outdoors. Follow latest DfE guidance 				
School trips/ minibuses	Staff Pupils	<ul style="list-style-type: none"> Pupils/staff/driver kept within their consistent bubble group and COVID secure measures to be maintained at destination. School minibuses to be allocated to bubble group, staff to agree timetable for use. 72 hours period should be left before another bubble group uses the bus School trips to local outdoor spaces are permitted, providing social distancing is maintained. Trips to enclosed spaces, i.e leisure facilities, supermarkets, cafés not to take place. 	For more information contact Stephen Brown (Outdoor Education Adviser.)	Teacher	On going	
Alternative Offsite Education – e.g. work experience/apprenticeship etc.		<ul style="list-style-type: none"> Before pupils attend offsite education venues, staff need to obtain the venues Covid Risk Assessment and policies and share with SLT. Consider whether an additional Risk assessment is required above and beyond the schools and venues risk assessments. i.e travel to venue. Staff to ensure Covid safe protocols and culture are being operated by the venue. Where this is not the case pupils/staff should not attend. 	<ul style="list-style-type: none"> Authorisation from the Headteacher/Deputy before activity takes place. 	Teacher	On going	

What are the hazards?	Who might be harmed and how?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
Lunchtime Catering facilities	Pupils Staff Contractors	<ul style="list-style-type: none"> Ensure handwashing takes place before and after meal times Pupils to dine in their classroom and not come to the hall School meals to be collected by a nominated staff member from the school kitchen for each class. Plastic trays being used by some pupils Disposable cutlery/food containers will be used Pupils/staff should not share food with others Any shared appliances used, should be cleaned after use. 	<ul style="list-style-type: none"> If food coming from home, avoid using containers that can not be disposed to reduce items coming and going out of school. 	DHT	09/11/20	
Break/Lunch times		<ul style="list-style-type: none"> The school will stagger breaks/lunchtimes to achieve the social distancing. Bubbles to only use outdoor spaces and equipment allocated to them 		DHT	09/11/20	
Behaviour		<ul style="list-style-type: none"> The behaviour policy is reviewed to take into account COVID-19, to include exclusion for pupils who deliberately put others at risk (e.g. coughing, or spitting at others) and pupils who will not (as opposed to cannot) comply with social distancing. Staff/Pupil behaviour and cooperation will be the key to implementing all of the controls. School will carry out briefing to inform staff and pupils of the changes. <p>Team teach</p> <ul style="list-style-type: none"> De-escalation should be the primary form of behaviour management, physical intervention should be avoided and a dynamic risk assessment at the time of the incident should take place. Following any incident a Pupil Risk assessment should be taken to ascertain if the pupil can 		HT/ AHT	09/11/20 On going

CLEAPSS [Guidance for science departments returning to school after an extended period of closure](#)

Conducting a SEND risk assessment during the coronavirus outbreak guidance can be found [here](#)

COVID-19: guidance on supporting children and young people's mental health and wellbeing can be found [here](#)

General staff and pupil advice on limiting the spread of coronavirus in the Educational Setting

Government advice is clear PPE, including facemasks should be taken into account where employees could be put at risk. The use of such PPE does not replace or reduce the need to follow the government guidance in relation to hygiene practices

Frequently clean and disinfect objects and surfaces that are touched regularly, using your recommended cleaning products.

- Wash your hands with soap and water often – do this for at least 20 seconds.
- Use hand sanitiser gel if soap and water are not available.
- Staff and Pupils should wash their hands as soon as they get to school and when they arrive home, after they blow their nose, cough or sneeze, before they eat or handle food.
- Cover mouth and nose with a tissue or a sleeve (not hands) when you cough or sneeze.
- Put used tissues in the bin immediately and wash your hands afterwards.

Handwashing techniques advice can be found [here](#)
