

Year 7 Catch-up

Academic year 2019 – 2020

Year 7 catch-up premium

The literacy and numeracy catch-up premium provides additional funding to support year 7 pupils who did not achieve the national expected standard in reading or maths at the end of key stage 2 (KS2).

This is our entire cohort of year 7 pupils (15)

We only have one formal set of data for the academic year available, and this is due to the enforced closure of schools

The data was collected in January 2020, and has been compared to the end of year 6 teacher assessments.

For academic year 2019-2020, our catch-up funding was £8,075

In June 2020, the DfE announced the year 7 catch-up premium would now come through a national funding formula
