## The Sports Premium

### 2018 -19

#### What is The Sports Premium?

##### **Aim**

The Primary Sports Premium is Funding to improve the quality of PE and Sport in schools that have primary school age children. The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils in the 2018 to 2019 academic year and to encourage the development of healthy, active lifestyles. If you click here information on [how much PE and sport premium funding primary schools receive and advice on how to spend it](#) can be found. Or at <https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>.

In each year all schools with 17 or more primary-aged pupils will receive a lump sum of £16000 plus a premium of £10 per pupil. With 86 pupils of primary age (12.9.19) this equates to £16860 for this academic year.

##### **How the funding will be paid**

Funding is included in the additional grant for schools (AGS)

Heltwate School will receive their funding directly from the Department's special education needs and disability division.

#### Why is there a Sports Premium?

##### **Purpose of the funding**

Schools **have to** spend the funding on improving their provision for PE and sport, but they will have the freedom to choose how they do this. Heltwate school uses the funding to enhance existing PE provision and expertise within school.

The scheme has been running successfully from October and staff will be receiving further CPD on this in September 2019.
