

## Information & guidance if you suspect you or your child has Coronavirus

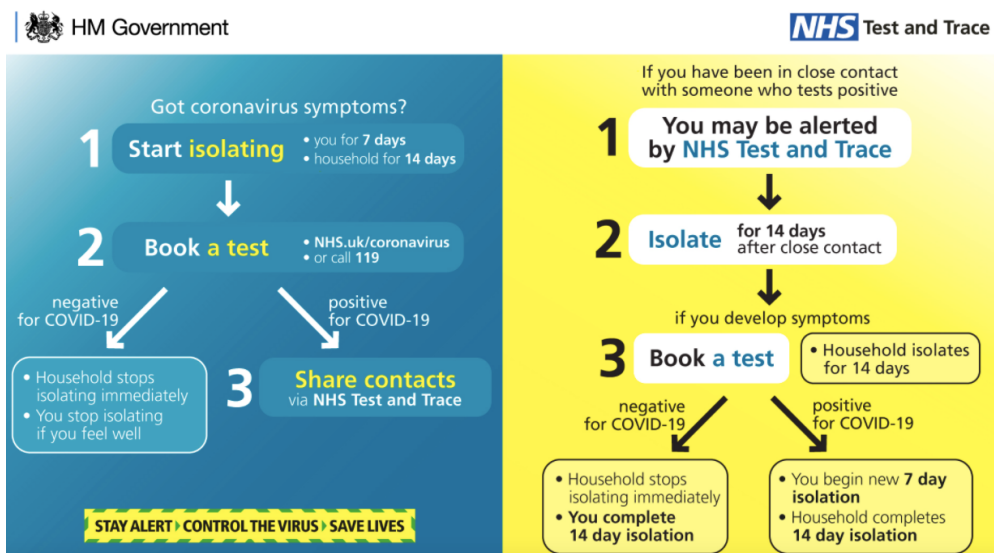

If Heltwate School staff have sent your child home with suspected Coronavirus, you **MUST** take our concerns seriously – **please do not ignore them.**

Symptoms may include, but are not limited to;

- a new continuous cough
- high fever/temperature
- loss of smell
- loss of taste

If we have asked you to collect your child, or have raised a concern with you, please adhere to the following advice;

- Isolate your child within your home, taking care to supervise them carefully and constantly
- visit <https://www.nhs.uk/ask-for-a-coronavirus-test> or call 119 immediately to arrange for a test as soon as possible
- your child **MUST** remain at home until the results of their test are known – please do not try to return them to school for the safety of others
- follow the advice below to protect other family members

**Please keep Heltwate School leaders informed by calling (01733) 262878, so that they can take precautionary measures to safeguard others if required.**
